

## LETTER OF RECOMMENDATION

### **Certified Installers**

Solar MD endeavours to provide world-class solar products at the highest quality; & as such we require that all our products are installed by trained; Solar MD certified installers.

In order to ensure that our products are installed correctly & operate as intended - at the highest standards; we provide installation training on all of our products, at our factory in Cape Town. Each participant, once successful is then certified as a Solar MD installer.

Claude Oosthuizen of **TEKNIA PROJECTS** is a Solar MD Certified Installer, helping us serve our customers across Southern Africa

**Respectfully**

A handwritten signature in black ink, appearing to read "Kaloyan Dimov", is written over the word "Respectfully".
